Ramadan
For about one month, beginning with the appearance of the new moon on the ninth month of the Islamic calendar, Muslims (followers of Islam) forgo all food and sex from sunrise until sunset. In experiencing hunger, Muslims renew their thanks for food, and to Allah for bestowing it upon his people.

T/N: Ou-sama, or King, is a Japanese drinking game. The word King is written on a chopstick/slip of paper, and the rest filled out with numbers. Everyone draws slips, and the person who got King gives a dare to someone (or multiple people) by calling out their number (so you never know who you're daring).

SABUROU WAS CALLED A PERVERT WHEN HE CARRIED HIS FIRST CRUSH INTO THE NURSE'S OFFICE AND TRIED TO TREAT HER HIMSELF AFTER SHE FELL DOWN IN THE SCHOOLYARD.
It's sad, but cute since it's just like Mayuna
O-OH MY—

THE EVENT THAT CAUSED SABUROU TO BE FAR TOO CAUTIOUS WITH WOMEN WAS THAT TRAUMA HE SUFFERED IN ELEMENTARY SCHOOL, I BELIEVE.
I-I SEE. THE DEPARTMENT MANAGER IS THE PERSON HE IS TODAY DUE TO HIS PAST EXPERIENCES
WELL, THE APPLE DOESN'T FALL FAR FROM THE TREE, SO I BELIEVE HE KNOWS HOW TO TREAT WOMEN IN HIS OWN WAY.

When did you start reading people's diaries?
Oh, you were behind me?
IT WAS WRITTEN IN YOUR DIARY, AFTER ALL.

Kuchisake-onna is a woman from a Japanese urban legend. In this legend, there is a beautiful and vain woman who is possibly cheating on her husband. Out of anger, he cuts her mouth open from ear to ear to destroy her beauty. She then goes around at night with a mask over the bottom half of her face, asking people if she's pretty. If they answer yes, she will remove the mask and ask again. If the person says no at this point, she will do the same to them that was done to her by slitting their mouth open. On the other hand, if they say yes, she will kill that person on their own doorstep. However, it is said she can be tricked into not killing you through various trick answers.
